

Radiology Program Selection Criteria

Radiology Program Selection Criteria

Individuals interested in the Radiologic Technology program at St. Luke's College, must apply for admission and meet all College admission requirements of St. Luke's College. In addition, applicants must complete four (4) hours of job shadowing with a radiologic technologist in a medical center radiology department.

Meeting the minimum admission requirements does not guarantee acceptance to the radiology program. Points are awarded on the following basis:

High School GPA: < 2.5 = 0 points
2.5 – 3.0 = 5 points
3.0 – 3.5 = 10 points
3.5 – 4.0 = 15 points

GED: 5 Points

College GPA: < 2.3 = 0 points
2.3 – 2.5 = 2 points
2.5 – 3.0 = 5 points
3.0 – 3.5 = 10 points
3.5 – 4.0 = 15 points

ACT Composite: < 19 = 0 points
19 – 21 = 5 points
22 – 25 = 10 points
25 or > = 15 points

Number of General Education Courses Completed:

Course grade: A = 4 points each; B = 3 points each; C = 2 points each;
D = 0 points each; F = 0 points each. Enrolled = 1 point each.

Averaged Interview Score: Maximum of 48 points

Shadow Hours:

4 shadow hours = 5 points
additional shadow hours = pro-rated up to a maximum of 10 points
